

Welcome

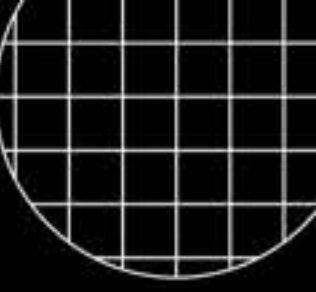

Ace Media Overview

What we do?

Talent Management
Brand Integrations
Marketing Campaigns
Content Production

Introduction

- Ace media is a talent management agency that focuses on the Indian Esports Industry via influencer marketing.
- Our team believes that creators are the face of any brand or event in today's age of social media.
- Committed to leveraging and mentoring aspiring content creators, our team takes the onus of developing brand and business value for them.
- We also have our dedicated content production team which takes care of multiple marketing campaigns uniquely and interestingly!
- We currently represent some of India's leading gaming and entertainment creators

Insights

- With our exclusive range of talent, we enable brands to discover young influencers who are striving to make a difference.
- We are delighted to be able to represent them and promote their professional growth.
- We are bringing the Indian esports community and leading Indian and International brands together.
- We would be happy to serve you by coming up with various marketing campaigns as well as unique ideas which we believe can help you expand even more.
- We have also listed our marketing strategies in the next slide for your reference.

Advertising Strategies

- 1** Branded Gameplay Videos
- 2** Social Media Campaigns/Collaborations
- 3** In Game Promotions/ Live Streams

Thank you
